ADMIN COPILOT

You're still the boss.

Quotes and invoices never reach your customer until you tap confirm.

Quotes

Invoices

Your OK first

AI RECEPTIONIST · JOB TIERS

Big jobs wait for your OK.

T1 · Auto-book

Everyday jobs

Like a smoke alarm swap. Booked straight into your calendar.

T2 · Confirm

$1,000+ jobs, or anything it's unsure about

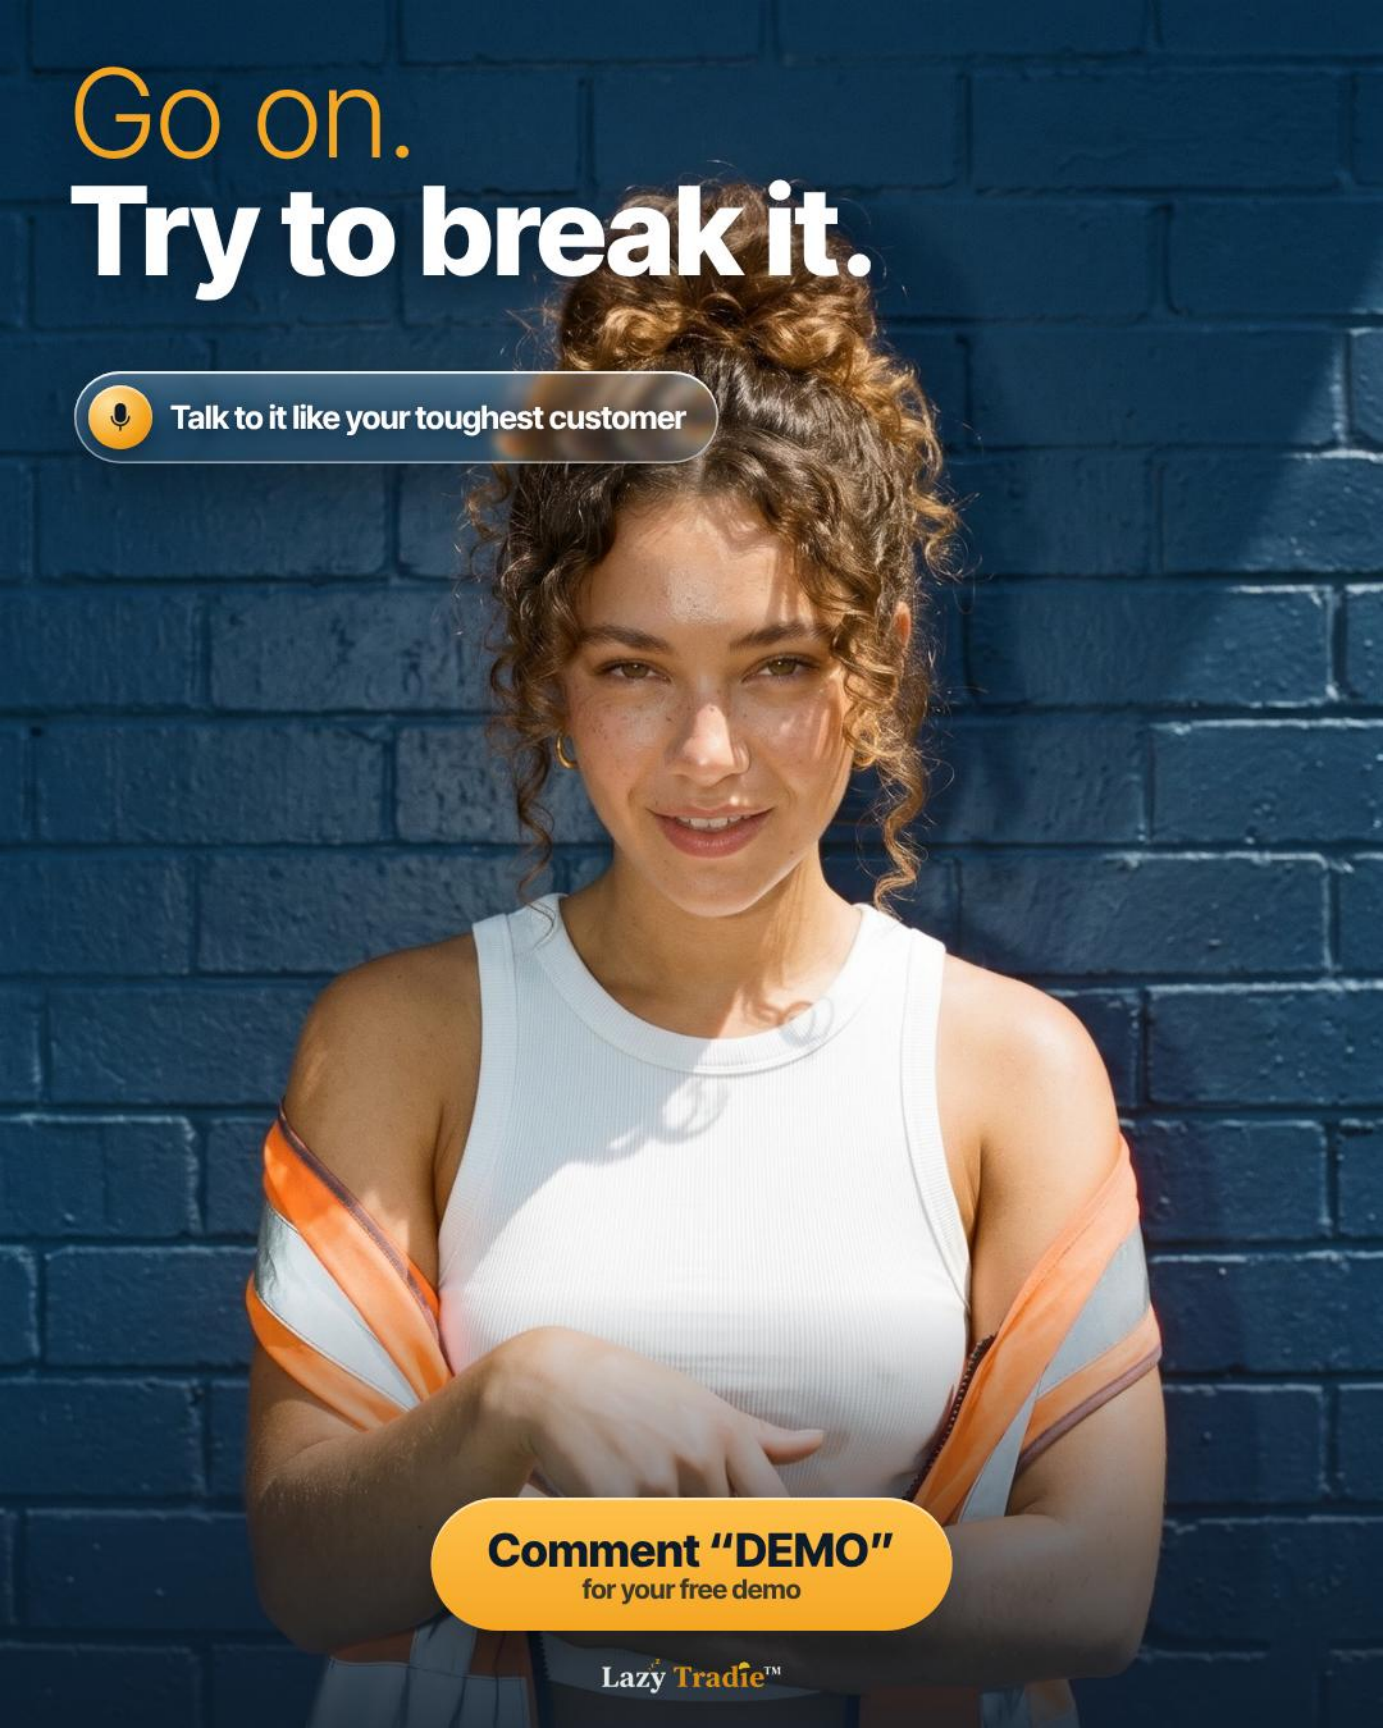

Sent to you to approve before it's locked in.

T3 · Emergency

Sparking, burning smell, flooding

You're alerted straight away.

You decide what goes in each tier.

Go on.
Try to break it.
Talk to it like your toughest customer
